According to the World Mission of the *International Treasury Monetary One* in front of the All God and the One Creator and the People of the World, the *International Treasury Monetary One* jointly with the International Counter-Terrorist and Law Enforcement Organizations, including many Intelligence Services, as well as specialized institutions in the fields of Law and Sociology, using a specially created International Commission, conducted careful observation, study, analysis, conclusion and made a decision regarding the organized International Criminal Act, which was conducted with the use of International Terrorism, International Corruption, International Theft and Plunder of Numerous Subjects of Law, International Money Laundering Crime *(as well* *as falsification and criminal introduction of criminalized payment instruments into the*

International financial circulation funds, in the form of various currencies of electronic, paper media and crypto-currencies), the genocide of almost all Nations of the World of the United People of the World.

The previously described global crime against the All God All Creator One and Humanity is organized by the International criminal neo-fascist organizations under the leadership and coordination of the forbidden Society of Jesuits, the criminal and forbidden Society of the Illuminati, with the support of Luciferian centers, such as the secret criminal and forbidden lodge Abeiton, Vatican, London City, Washington DC, Taiwan and others, under the well-known slogan "Pandemic" and "Vaccination" (pseudo-pandemic and pseudo-vaccination). Under the pressure of the previously described crime syndicate, the Global genocide and numerous murders were conducted, unfortunately, using the specialized organizations of the United Nations, namely: the World Health Organization and others. The victims of genocide and murder according to the plans of criminals are People, All the People of the World. The implementation of the Genocide and multimillion-dollar murders are continuing in different countries until now.

The above criminal events have perniciously affected all Nations and Countries of the World. As a result of these events, the obvious criminal facts of the absence of Democracy in the Subjects of Law, referred to themselves as Countries, the absence of the Sovereignty of the Subject of Law, referred to themselves as Countries, the absence of Sovereign Governments of the Subject of Law, referred to themselves as Countries, were fully manifested.

As a result of the previous studies and conclusions, it has been established that the previously described criminal organizations have committed crimes against all Nations of the People of the World, and therefore, crimes against the All God the All Creator One, where by lies, deceit and numerous crimes they have committed the substitution of democracy of Sovereign Countries and Sovereign Governments for illegal commercial criminal corporations controlled by puppet and criminal pseudo-governments.

Based on the foregoing, we remind, according to the fundamental norms of International Financial Law, according to all the norms of the Law of the World System, the production (emission) of money, Treasury Bills, and any types of currencies created on their basis (currency is a means of payment secured by real money), has the right to exercise only the Sovereign Public Subject of Law (Society, Country), represented by the Treasury, as an organ of the Sovereign Subject of Law (Society, Country). And the entire banking system throughout the World is a service structure for servicing real money, Treasury Bills, provided by system gold **M0, XAU,** in the form of any types of currencies produced on their basis.

The World System is based on historical natural Law and consists of Historical Law, International Law, legislations of Countries, Historical agreements, International valid agreements, State valid agreements, Interstate valid agreements (valid agreements – they are about those Legal acts that correspond with the norms of Historical, International and Country Law). Therefore, according to all the Rules of Law, criminal, and therefore, fake and puppet corporate governments, in the form of corporate, and therefore, powerless Treasuries, do not have the right to issue (production of real money), therefore, do not have the right and opportunity to issue National currencies.

Special attention is paid to the fact of the modern illusion of the emergence of such a State as the Vatican. According to all norms of the Law of the World, a religious organization cannot have the status of a Sovereign Country. The status of the Sovereign Country of Vatican City was formed on the fact hidden from the People that the Sovereign Country of Vatican City and its territory completely belonged and belongs to the *Sovereign Order of St. John of Jerusalem, Rhodes, Maltese Sovereign Order of Hospitallers.*

We remind you that the *Sovereign Order of St. John of Jerusalem, Rhodes, Malta Sovereign Order of Hospitallers* is the most ancient and Supreme Order on the Earth, as the Supreme Order of the Sovereign. According to all current Rules of Law: the proclamation of the Sovereign, the proclamation of Sovereignty, as well as the organization of the Public Subject of Law with the name Order, only the *Supreme Sovereign Order of St. John of Jerusalem, Rhodes, Malta Sovereign Order of Hospitallers* has the Right to Proclaim.

Such Proclamations of Sovereign and Sovereignty are necessarily made with the presentation of the Charter of the *Supreme Sovereign Order of St. John of Jerusalem, Rhodes, Malta Sovereign Order of Hospitallers.*

We remind you that led by the Supreme Historical Law, the *Supreme Sovereign Order of St. John of Jerusalem, Rhodes, Malta, the Sovereign Order of Hospitallers* proclaimed two Orders with the presentation of the Charters of Sovereignty to each of the two Orders. This is a valid Order of Malta, as a military Order for the protection of the Freedom and Independence of All Nations of the One People of the World in its path of Development, as a Light and Creative Humanity *(where, according to the Divine Laws of Creation of the Order of Malta, the Grand Master of the Order of Malta does not have the right to leave the territory of Russia)*. And the Actual Order of the Templars, as missionaries carrying knowledge about the Universe and the Creators

of the World System and the World Financial and Banking System.

We remind you that, on the basis of the right of the Supreme Sovereign, the *Supreme Sovereign Order of St. John of Jerusalem, Rhodes, Malta, the Sovereign Order of Hospitallers*, endowing the Sovereign Orders with the above mentioned missions: the Sovereign Actual Order of Malta and the Sovereign Actual Order of the Knights Templar, approved and proclaimed by the Divine Laws of Creation for Eternal times that all the property of the Sovereign Order of Malta, all the property of the Sovereign Order of the Templars belongs to the *Supreme Sovereign Order of St. John of Jerusalem, Rhodes, Malta Sovereign Order of the Hospitallers.*

A terrible secret for the Catholic religious organization, in the face of its leadership, is that after another world catastrophe organized by the enemies of the Earth and Humanity, false substitutions and world deception were made on the following facts:

On the basis of the forbidden Jesuit society, which in the past betrayed the goals of sacred service to the One God and Humanity. The Jesuit criminal society, like the leadership of the religious organization Vatican, chose to join the side of Luciferanism. They created a fake Order of Malta, which allegedly performed the function of the succession of the Order of the Hospitallers, which was a lie. Few people know that in the modern pseudo-state of the Vatican (just in case), the deputy Pontiff is a fake Knight, who is allegedly also a Knight of the Order of Malta and the Order of the Hospitallers.

We affirm that all the previously mentioned crimes were directed against Humanity, its fundamental foundations and values, such as: Love, Honor, Conscience, Freedom, Morality, Mercy, Generosity, Compassion, Creation, Faith, Light Creative Development, Family Union, protection, provision of children and old people, Love and Respect for Nature. All these crimes, to the greatest regret, were also directed against the All God the All Creator One.

Based on the conducted international studies, investigations, conclusions of special international commissions, the dominant historical Law, all actual Norms of International Law, including the Norms of International Law, approved in all Resolutions and Orders of the *International Treasury Monetary One* and other legal Acts of the *International Treasury Monetary One*, in pursuance of the Sacred Divine Mission, on the basis of the Right of the Supreme Sovereign, on the basis of the Right of Ownership, Disposition and Management of All World Assets from the Creator of the New Era, on the basis of the Right of the Chief Regulator of the World Financial System,

WE DECIDE:

1. Due to non-compliance with the basic valid norms of International Law and non-compliance with the actual laws of the Countries of the World, a private criminal banking system in the form of Central, National and Reserve Banks of the World, founded by the criminal community of the Illuminati, led by the criminal forbidden clan of the Rothschilds and its criminal accomplices, who conduct activities against the Society and All Humanity, executing anti-human criminal Luciferian plans, as well as a new prepared type of criminal, fiat currency (**CBDC**) according to the forbidden criminal plans of Lucifer, Forever deprive all types of Legal personality, recognize outside of the Divine Laws of Creation and outside the Law, declare a ban on any actions and further existence in all World Spaces.

The further coexistence and development of such Subjects of the Law Society will be reviewed by the Special Sovereign Commission on the Legal Platform of the *Supreme Sovereign Order of St. John of Jerusalem, Rhodes, Malta Sovereign Order of Hospitallers.*

Also, the facts described previously are applied to the so-called Monarchies, Monarchs and Royal Houses Proclaimed in the World Legal Space.

4. Based on the foregoing, all organized criminal agreements on the separation and division of the land territories which are concluded after the territories have been approved in the World Legal Space as a result of the end of the Second World War in 1945, are illegal, and therefore, criminal and have no Legal Force.
